

Minutes of Membership Meeting

August 24, 2017

Meeting was called to order at 2:30pm by Kate LaBelle, President. Kate welcomed everyone in attendance and thanked Dar Klancke for hosting the wonderful event at her home and gave her a box of chocolates as a thank you gift. Norma Colosimo, luncheon chairman, thanked her committee, Dar Klanke, Sally LeClair, Katie Simpson, Beth Daniel, Susie Peterson, Julie Richards, Susan Odneal. Kate thanked Mary Moynihan for a wonderful season. And she thanked her for the great condition of the course during a difficult season of weather. Mary deferred to Craig and his staff for handling that aspect of the course. Kate also thanked all our members who volunteered during the year.

Kate requested a volunteer for next year's luncheon and Sue Seeman graciously accepted the invitation. She announced that there are a few open volunteer positions that are key to the organization. There is still a need for an Assistant Handicap Chair (Sue Seeman is Chairman) to attend a certification training in Denver during the winter. Both the Chairman and Assistant must be certified. Kate also announced that there is an annual CWGA meeting in February and Kate will attend. Deb Kohlwey has volunteered to be the CWGA rep next year and will attend the meeting with Kate.

Kate discussed the concept of changing the Rally next year. Gigi has agreed to Chair an event, but was looking for an active committee to assist and make decisions about what charity, cost to attend, etc. A discussion around the membership's interest in this type of event then occurred.

Pam Brown moved, Marie Johannes seconded that we not have a charity event next year. Motion passed. A discussion about what could be done in place of that event then occurred. It was suggested that in previous years an Invitational was held, inviting other women golf groups in Grand County to join with Pole Creek for this type of event. Pam Brown moved, Deb Kohlwey seconded that an Invitational for Grand County Women Golfers be explored. Motion passed unanimously. Kate will discuss this with Gigi to see if she is interested in Chairing this type of event. More details will be forthcoming after that conversation. A committee for this event will need to be formed and will be added to the Volunteer Opportunity Document. This document will be hosted on our website and interested parties can contact any of the officers to discuss.

Kate mentioned that the Putt/Chip In Chairman and committee were still vacant. Dar Klancke agreed to chair this group with Marie Johannes and Pat Riddell assisting.

Awards were then announced.

Betty Williams received a 'hole in one' ball marker to recognize her Hole In One this year. Since it didn't happen during Thursday play, the Hole In One Insurance remains.

42 players had birdies during the season. Jeanne Anne distributed a gift of a golf ball cleaner and ball maker to each winner.

Match Play winners:

Flight A 1st Place: Pat Riddell \$25, 2nd Place: Susie Noel \$15

Flight B 1st Place: Jeanne Anne MacDonald \$25, 2nd Place: Mary Brooks \$15

Net

1st Place: Andrea Singleton 138 \$30

2nd Place: Sue Seeman 154 \$25

3rd Place: Julie Richards 157 \$20

Lori Myers asked if it was of interest to the membership to receive another survey for input about next year's tournaments and play. It was agreed to send another one out after the season is over. Lori requested that any survey questions of interest to the membership would be gladly accepted. Please send any questions to Lori so they can be included.

Respectfully submitted,
Susan Odneal
Secretary
