

## Pole Creek Ladies Club luncheon August 22 2019

- Thanks to Janet for hosting & the committee for delicious food & drinks. Thank to Mary & Craig from Pole Creek for your help this year & the course being kept in great shape.
- Mary will let the group know how their donation may be best used for next season.
- Congratulations to Cindy Moynihan & Jeanne-anne for getting hole-in-one's today and to Norma who had one earlier this year & Mary R who had one last season after the luncheon.
- Members need to give Madeleine \$5 by next Thursday to be added to the new hole in one insurance.
- Some members asked about starting later, but that's not possible as we couldn't then do a shotgun start
- No increase in Ghin dues for next season, but there will be a dues increase in 2021.
- Please get your application forms to re-join the ladies club in by the deadline for next season.
- Please read the form carefully & do not sign up for match play if you don't want to play (several people signed up by mistake this season).
- Jokes from Diane & Mary Brooks haha very funny, let's have some of those next year 😊
